The undersigned, with the consent of all authors, hereby transfers, to the extent that there is copyright to be transferred, the exclusive copyright interest in the above-cited manuscript (hereinafter "Work") in this and all subsequent editions of this Work, and in derivatives, translations, or ancillaries, in English and in foreign translations, in all formats and media of expression now known or later developed, including electronic, to the American Society of Civil Engineers subject to the following:

- The undersigned author and all co-authors retain the right to revise, adapt, prepare derivative works, present orally, or distribute the Work, provided that all such use is for the personal noncommercial benefit of the author(s) and is consistent with any prior contractual agreement between the undersigned and/or co-authors and their employer(s).
- In all instances where the Work is prepared as a "work made for hire" for an employer, the employer of the author retains the right to revise, adapt, prepare derivative works, publish, reprint, reproduce, and distribute the Work provided that such use is for the promotion of its business enterprise and does not imply the endorsement of ASCE.
- No proprietary right other than copyright is claimed by ASCE.
- An author who is a U.S. Government employee and prepared the Work does not own copyright in the Work. If at least one of the authors is not in this category, that author should sign below. If all authors are in this category, check this box and sign (in ink) here: _____.
